Amber route

Owing to amber, the coasts of the southern Baltic Sea were known already to the ancient Greeks and Romans. At present, Gdańsk aspires to be called the global capital of amber. The theme of amber includes its mining, artistic processing and the therapeutic application of this priceless resin. The visit to the Amber Museum will take you to the magic world of the golden amber.

Route: Amber Museum – Millennium Monstrance (St. Bridget’s Church) – the amber alter (St. Bridget’s Church).
