Gdynia

Gdynia - A city phenomenon of the 2nd Polish Republic. A sightseeing tour goes past the city's attractions telling its history. How the city developed, the port's importance and its difficult years in Polish history. The unquestionable attraction is the visit onboard the excellently maintained destroyer ORP 'Bykawica' (Lightning), which served in many maritime campaigns during WW II. A wonderful panorama of the city as the port and shipyard complex unfolds from the top of the Stone Hill.

Route: the Kosciuszko Square - battleship ORP 'Błyskawica' (Lightning) - the sailing ship 'Dar Pomorza' (Gift of the Pomerania Region) - the Stone Hill.
