Westerplatte

Westerplatte - An unusual place. A handful of people on this scrap of land beat off the following attacks from the overwhelming German army during 7 days. A walk along the wooded avenues allows you to learn about this first act of WW II filled with drama and bravery. The great views unfold onto the Gdańsk Bay and the port complex from the monument hillock.

Route: Museum Watch Room No 1 - Cemetery of the Westerplatte Defenders - the Fort Outpost - the ruined barracks - the Monument to the Sea-Cost Defenders.
