In the circle of beer tradition

This is another very unique proposition, which combines historical values with the attractions of a more entertaining ☺ At the start we suggest a short (approx. 1 hour) exploring the surrounding of Szafarnia Street. It is less known part of Gdansk, a little bit wrong, because looking here at different angles and corners you can a lot about the history of the city. About the attractiveness of this route also decide excellent views: e.g. Long and Fishery Embankments.

The sightseeing tour: Szafarnia Street - House under the Little Negro - ship Soldek – old Heat and Power Plant

After sightseeing, we invite to the restaurant "Brovarnia Gdansk". From the entrance attract attention brewing equipment a German company Kaspar Schulz. The equipment is very modern, but here is used traditional method of brewing beer, based on the recommendations of the sixteenth-century. Brewed drinks consists only of water, barley, wheat, hops and yeast. The effect of the these brewing treatments are excellent, aromatic and natural-tasting drinks. The restaurant offers three types of beer:

- Brovarnia Light Beer;
- Brovarnia Dark Beer;
- Brovarnia Wheat Beer.

During the tasting we provide an interesting guide narration concerning fascinating beer issues.
