

### Exploring historic Gdansk and tasting of local drinks

In this proposal we want to show the multithreaded richness of Gdansk. After all we have a wealth of history, art and architecture. There are also excellent ... alcohol, in which after all also contains the spirit of this remarkable city. After passing along the most important monuments of Gdansk we suggest a visit to the stylish restaurant and tasting drinks closely inscribed in the local tradition. We offer:

- Goldwasser – this is the most famous local drink, liqueur with a unique flavor. In alcohol flakes of pure , 22-karat gold;
- Gdansk Srebrnik (Silver liqueur) - characteristic liqueur with flakes of pure silver;
- Danziger Absinth - about the family of absinthe alcohol you can tell a lot of fascinating stories. For example tasting of this liquor was prohibited by one of the Swiss Constitution articles. We do not intend to prohibit...
- Krambambuli - vodka with a distinctive red color. Its name refers to the tradition of former calls of hunting.

Tasting of drinks in reasonable quantities, of course, so as not to lose the sense of this untypical adventure... During the event, we offer an interesting guide narration about consumed drinks.
