

## **Biuro Przewodnickie Gdanskur**

### **HARCOWKA**

#### **Description**

The restaurant is located in the very historical center of Gdańsk, just a hundred meters from besieged by tourists the Royal Route. This canteen operates in a complex so called Scout's House. We announce to more inquisitive visitors about another name of this place – 'City Mansion'. The history of these buildings dates back to the early seventeenth century!! The advantage of this restaurant are certainly food prices, for 4,5 Eur you can eat very tasty two-course lunch. No less important advantage (from our guide-organizational point of view) is the speed of service. With earlier lunch confirmation, groups are handled instantly Therefore 'Harcowka' restaurant we recommend groups who care about the time and implementation of the longer and richer sightseeing's programs. His local can fit about 80 people.
